September, 2018

Dear Sir or Madame:

We are pleased to announce our 10th Annual 'Katlyn Fox Foundation' Halloween Dance & Silent Auction this October. The Katlyn Fox Foundation was formed as a result of the passing away of our precious daughter Katlyn at the age of 1 year and 10 months young – due to vaccine complications. The Katlyn Fox Foundation is a non-profit charitable corporation, designed to raise funds for research into the safety and efficacy of children's vaccines.

We are writing to request your support for our special event. Our dance will be held on Friday, October 26th at Nashville North Nightclub in Norval. We are hoping for a large turnout of approximately 300-400 people.

The funds we raise will be donated to Dr. Chris Shaw, Ph.D Professor of Research at the University of British Columbia for his research on the adjuvants in vaccines and how they affect the central nervous system (e.g. Aluminum adjuvants in vaccines being linked to the causes of neurological disorders, such as Autism, Parkinson's, Alzheimer's...). Please check out our website to view his papers published with the help of our funding. www.katlynfoxfoundation.com

We welcome any donations, or donated items for our silent auction table. Please attach a business card to each item so we may acknowledge your support to the attending guests.

We will also be providing a special advertisement opportunity for businesses that donate \$200.00 (or more) or an auction item(s) of that same value. Businesses that donate food (vendors) for the people that are attending this event, along with a silent auction item of any value, will also receive special advertisement during this event. The special advertisement includes your business name on a large video screen being shown throughout the entire evening, acknowledging your support to attending guests.

If you have any other questions please contact me at 905-873-0263, or via email at katlynfoxfoundation@cogeco.ca.

On behalf of the executive board please allow me to thank you for your time and consideration. We look forward to your support of this very worthwhile cause.

Best Regards,
Katlyn Fox Foundation

David Fox,
President
